Re: 2020 Irrigation Season Water Application

Dear Water Customer:

Enclosed for your use is a 2020 Water Application. This application, together with the appropriate acreage deposit, must be returned to the District office or postmarked no later than the close of business on Monday, March 16, 2020. For your convenience, there is a downloadable version of the application available on the District's website (www.ycfcwcd.org). As always, District staff are available to answer any questions you might have regarding completing this application.

As of today February 7, 2020, the District's total stored water supply is approximately 261,848 acre-feet (Maximum supply is 450,000 acre-feet). **Based on the current water supply and the average irrigated acreage over the last six years, the District will not be imposing an allocation this irrigation season.**

Agricultural water rates are based on combined water storage in Clear Lake and Indian Valley Reservoir on April 1. The rate schedule is illustrated in the figure below. The actual agricultural water rate will be announced April 1, 2020.

YOLO COUNTY
FLOOD CONTROL &
WATER CONSERVATION
DISTRICT

Tim O'Halloran
General Manager

34274 State Highway16
Woodland, CA 95695-9371
(530) 662-0265
FAX (530) 662-4982
www.ycfcwcd.org

Water storage amounts are updated regularly on our website (www.ycfcwcd.org) and provided daily during the week to the Daily Democrat for publication.

As noted above, applications must be in the office or postmarked no later than Monday, March 16, 2020. Please note that an application is not considered filed until the acreage deposit of \$5.00 per acre is received. Acreage deposits are credited to a water customer's account and will constitute a guaranteed minimum purchase for the 2020 season.

Applications that are not complete will be returned to the water customer with a request for the needed information. If you have questions or need assistance in completing and filing your application, please contact Christina or Bonnie at the District office, or come into the office with your application.

Sincerely,

Max Stevenson
Assistant General Manager
