The undersigned hereby applies for water service on the lands described below, and agrees to use and pay in accordance with the rates, rules and regulations of the Yolo County Flood Control & Water Conservation District. A copy of the rules and regulations can be viewed on our website at www.ycfcwcd.org or is available upon request.

Accounts are due and payable on receipt of invoice and become delinquent 30 days from the date mailed. Delinquent accounts are charged a finance charge of 1.5% per month with a 5% end of year penalty charge applied on December 31st. Delinquent water customers will be required to re-establish credit in subsequent years.

The District does not represent or guarantee that any District water is potable or of a quality suitable for human consumption or for any other purpose. Any water user who uses said water or makes it available to others for human consumption shall take all necessary precautions to make the water potable and assumes all risks and liabilities in connection therewith.

Water User agrees to report all water diversion by providing starting and stopping meter readings each month, no later than 15 days after the end of each month. If the District provides Water User with a monthly report form, Water User will use said form to report monthly diversions.

A deposit of \$30.00 is due by March 15th and is considered a minimum guaranteed water purchase.
